

## ICG Training Modules

The Council General has made the global training modules available in four languages.

The Council General hopes these will be effective, useful tools for all members, in groups or alone. There are eight modules in all. Our National Education Committee encourages our members to look at these modules and use them in local or regional orientation and training sessions, along with our National modules, to enhance the training experiences of local Councils and Conferences.

- [History and Origins](#)
- [Vincentian Spirituality](#)
- [Poverty and Systemic Change](#)
- [Visiting the Poor](#)
- [The Rule](#)
- [Life of the Conference](#)
- [Vincentian Solidarity](#)
- [Relations with International Organisations and with the Church](#)
