

Need Help?

The Society of Saint Vincent de Paul provides emergency assistance to those in need. We are here to support individuals and families as we would support a friend. No distinction is made as to religion, colour or creed, as to whom we serve, or those who we are serving. Our volunteers seek people in need, wherever they live - in their homes, on the street, in shelters, in hospital or in prison.

The activity of the SSVP is always based on love of neighbour in the local community. Volunteers work in their own area, and respond to local needs. The Society's work around the world is extremely varied: health, agriculture, education, housing, employment support, help for elderly, disabled, isolated or excluded people, and more.

If you are in need or seeking assistance, or simply have questions, please contact the SSVP near you or contact the National Council. You can find information about a Society of Saint Vincent de Paul near you by visiting the link below.
