

CGI President Circular Letter

On January 31st 2017, brother Renato Lima de Oliveira, 16th President General of the Society of Saint Vincent de Paul, issues his first Circular Letter which is the means by which President Generals have traditionally communicated directly with members of the Society, beloved members of Conferences, throughout the world. Because of its length, it is suggested that the Circular Letter be divided into two or three parts, each of which could form the basis for a reflection at Conference meetings.
