

Volunteer

Volunteering with the Society of Saint Vincent de Paul gives you an opportunity to make all the difference in someone's life.

Our 14,000 volunteers from across the country are people from all walks of life who are helping to change the lives of people in need.

Whether you have a few hours to spare or would like to make a more long-term commitment, there are lots of ways you can get involved and help change someone's life. The Society is always seeking volunteers to maintain a variety of services and programs.
