

Youth Contract

I, _____ (please print name) will take part in the community service work organized by the Society of Saint Vincent de Paul Youth in Canada, with an open heart and mind to serve the marginalized, working poor, sick, elderly and those in need. I will respect and be non-judgmental to every person I come in contact with, including team members and leaders. I understand that work I will be doing will require confidentiality between me and the people I will be ministering to. I will respect what anyone shares with me unless it causes harm to anyone, including myself. I promise to follow all rules and guidelines mandated by the group or facility to maintain safety and security to our group, to myself and to those who we minister to. I understand that this is a serious ministry that I am participating in and will be as honourable to it as possible. I will follow in the footsteps of our Lord Jesus Christ and minister as He would, with love, respect, justice and joy as mandated in our Society of Saint Vincent de Paul Canada Mission Statement.
